“Our experience with EUREC graduates has always been a success, with most internships converted to permanent jobs. EUREC really provides top-notch graduates with excellent and relevant education in renewable energy” *3E*

“I was interested in Renewable Energy and in learning from the best sources. I wanted also to learn other languages, discover other cultures: the international profile of EUREC students is particularly rich”
EUREC Master Alumnus

The EUREC Master is coordinated by EUREC Agency
